

MODEL DL-65ens

DUAL POP-UP ENCLOSURE SWIVEL TV LIFT For Up to 65" TV

TV Maximum Screen Size	_____ 65"
Maximum Weight	_____ 175 lbs [79.4 kg]

Model DL-65ens is an innovative TV lift which includes a bracket system that allows your cabinetmaker to create an enclosure around the TV. This aesthetic enhancement covers the back of the TV, beautifying the overall project, and blending more seamlessly into the existing interior design. The smooth manual swivel function enables you to rotate the TV in any direction, creating the ideal viewing angle.

Please note: the enclosure itself is not included, but detailed dimensional plans are available from Nexus 21, showing what is needed for creating your enclosure.

ALL NEW DESIGN WITH
NEXT-GENERATION MOTORIZATION

All Nexus products are shipped in custom-made protective packaging, and they include everything you need to mount and operate them. The products are designed for easy assembly, and simple instructions with photos are included.
